

**PATRICK DENNIS
VIDEO PRODUCTIONS
Recital 2011**

The Shreveport Dance Academy's spring dance recital is coming up on May 7, 2011. You will not only want to attend this special event, you will want to treasure it for a lifetime. I am honored to be the official videographer for the morning, afternoon and evening recitals.

This year's professionally produced DVD will be extra special. It will consist of a professional movie-style menu, video highlight montage, and the recital. Your DVD will consist of the morning, afternoon or evening performance, depending on which you chose below.

I, Patrick Dennis, am thrilled to be able to work with the Shreveport Dance Academy once again. I am currently producing all the school productions for three Shreveport schools and theatrical productions for the Academy of Children's Theatre. I also produce wedding DVD's and work with area businesses. You will not be disappointed.

The cost of the DVD is \$25.00. If you would like to order a DVD, simply fill out the form below and return it to Shreveport Dance Academy along with payment. *Please make checks payable to Patrick Dennis Video Productions.* This DVD will be the only recording of the recital as personal video cameras are not allowed.

Thanks again for allowing me this opportunity. Please call or email if you have any questions. **Status updates on the DVD production and how to pick up your DVD can be found at www.patrickdennisvideopro.com after the performance.**
